## **KESSLER THANKS NURSES FOR HARD WORK AND DEDICATION**

Charleston, WV – Acting Senate President and Democratic Gubernatorial candidate Jeff Kessler (D – Marshall) sends his thanks and appreciation to West Virginia nurses during National Nurses Week.

“I appreciate the hard work of nurses throughout this great State and would like to send my personal thanks for their dedication and service,” says Kessler. “Nurses are an essential part of our health care system and I recognize their significant role in my efforts to provide preventive care and early intervention.”

Acting President Kessler is a proponent of Health Care Reform and believes every West Virginian deserves the right to affordable health care.

As Acting Senate President, Senator Kessler worked to ensure the passage of the West Virginia Health Care Exchange. This allows the State to control its own regulatory framework to address the State’s unique health care needs.

As a Democratic Gubernatorial candidate, acting Senate President Kessler is endorsed by the American Academy of Nurse Practitioners and the West Virginia Affiliate of the American College of Nurse Midwives.
